Thursday, June 21, 2018

Social Time at 5:30 PM / Program Starts at 6:00 PM

The Salem Centre

7235 Bonneval Road, Jacksonville, FL 32256

This Month's Meeting Agenda Features the Following:

Florida Legislative Report with Aaron Bean

It is time to hear about recent activity in the Florida State Senate. The Florida Legislature wrapped up its session after a great deal of interesting action – and attempted action. There were positive highlights and a few local disappointments. Please join us in welcoming one of our favorite legislators and fellow club member, State Senator Aaron Bean, as he provides us with a summary of these activities in Tallahassee. His first-hand insights should be especially valuable in light of how Florida is reacting to national currents and the frustrating activities occurring in Washington, D.C. This will be an excellent opportunity to ask questions and engage in personal discussion with one of your representatives in Tallahassee.

Important Election of Next Year's RCRC Club Officers: We will be holding our annual nominations and elections of the club officers for 2018-2019. Nominations from the floor for all offices are welcomed and encouraged for anyone who would like to become more involved in Northeast Florida's premiere Conservative Republican Club. We are especially seeking club members who are interested in chairing the Hospitality and Membership Committees. Please be a part of this important process with your fellow Club members.

Looking Ahead: Ste Reps. Cord Byrd and Jason Fischer will present a summary of the recent session of the Florida State House at our July 19 meeting. Col. Mike McCalister, U.S. Army (Ret.), always an inspirational speaker, will provide a contemporary speech of contemporary patriotic themes at our August 16 meeting.

Membership: Alright folks, join your fellow Conservatives, catch up on your dues and renew your membership to the most energetic Conservative Republican club in Northeast Florida. We always welcome new members!

Refreshments will be served so please join us for an evening of Conservative spirit, knowledge and camaraderie with your fellow Republicans. We welcome guests anytime so feel free to bring a friend.

The River City Republican Club is dedicated to Conservative principles in providing education, leadership opportunities and a place to become politically involved.
